ASSOCIATED HUMANE SOCIETIES AND POPCORN PARK ZOO

Unfortunate Animals Need Our Help, and We Need Yours! You read about animals exposed to cruelty, hunger, or abandonment every day. But long after the newspaper headlines are forgotten - someone has to care for these animals. That is the Associated Humane Societies' mission.

Although donations to animal welfare and cruelty prevention organizations produce laws designed to protect pets and animals and help prosecute offenders, **donations to the Associated Humane Society make an immediate difference in the life of an animal.**

AHS is one of the largest animal sheltering systems in America. With your help, **the Society rescues over 15,000 animals a year.** We believe all animals deserve a safe place to live and a playful, nurturing environment. Your generous contributions make that a reality—one rescue at a time.

Each pet we rescue, every hurt we can heal, and every home we find for formerly unwanted pets, is a victory. And it adds up. You make that possible. [See more pets you've saved.](#)

So, please, [give to the Associated Humane Society now.](#) **You'll be saving a life—and that does matter.**
